

A new heart for Oxmoor

The next stage...getting involved!

Public Consultation

Land around the former Sapley Square

You have already helped to shape changes to Oxmoor with the redevelopment of Sapley Square providing new community and health facilities along with new shops.

Now we want you to have your say on the next stage concerning land to the East and North of the former Sapley Square.

See overleaf to find out how to get involved...

We want to give you plenty of opportunities and time to get involved and help us to shape the future of your area.

To have your say:

i) attend one of the open consultation events listed below:
