## **MENTAL HEALTH BENEFITS CASEWORKER**

**Fixed term for 1 year**

**10 hours per week initially**

**Actual Salary - £6230.79 per annum**

\* it is anticipated the hours will increase as the service develops\*

We are looking for a motivated team player with a 'can do' attitude to help us deliver specialist disability benefits support.

You will report to the Chief Executive and will deliver disability benefits support to clients affected by mental health issues.

You will be responsible for managing a caseload of clients, promoting the service to local stakeholders, and building strong partnerships with external providers of services.

You will have a good knowledge and an understanding of advice giving in the key areas and the ability to support clients with mental health issues in a sensitive but empowering way. You will also have strong IT skills and be able to communicate clearly and effectively face-to-face, in writing and over the phone.

This is a fantastic opportunity for someone who is passionate about meeting the needs of some of our most vulnerable clients and has the drive and motivation to manage a caseload.
